BIOGRAPHY:: Andrew Mallis is a 2003 Fine Arts graduate of the OCAD. At the College, he served two terms as Chair of the *OCAD Student Union*, helping to create the gallery/social space *Art System*, pioneering a web radio, and the establishing an ombudsperson's office. He later founded and ran for two years the publication *bite*. Since 2001, he as worked professionally as a designer in the fields of environmental graphics, print media, illustration, storyboards, and web technology. He recently completed a 5-month residency at the CFC Media Lab. He works in new media with code, photography and electronics, and in traditional media by writing, drawing & painting.
